RZR

THE ALL-NEW RZR XP

POLARIS

MEET US OUT HERE. WHERE SUNRISE IS NOT ONLY SEEN BUT ALSO FELT. WHERE CHASING FRIENDS AROUND ISN'T JUST A THING OF THE PAST AND WHERE WRONG TURNS ALWAYS FEEL RIGHT.

POLARIS

Since 2008, with our first RZR, Polaris has been the driving force in side-by-side performance. Through the evolution of the RZR platform, we've led the industry in performance and technology. From the humble beginnings of that 800cc/50" RZR to the leading edge of performance of today's RZR, we deliver the ultimate machine for every riding type.

RUGGED DESIGN

RZR XP

DESIGNED TO
TAKE ON THE
OFF ROAD

The RZR XP is all-new from the ground up – the next generation in side-by-side performance. We've built on the success of the most popular side-by-side in the industry, taking it to the next level. The result is the new 2024 RZR XP.

A STRONGER, REDESIGNED DRIVELINE

Offering stronger half shafts, prop shaft, and bearings, to withstand the toughest trails and to keep you riding longer.

25% STRONGER CHASSIS FOR PERFORMANCE AND STRENGTH

Provides RZR sharp agility, tighter fit & finish, and less buzz, squeak and rattle for a more enjoyable ride no matter how rough the trail.

RZR XP

INTEGRATED PROTECTION

No matter how rugged the trail is, the RZR XP is built to conquer it. With over a decade of lessons learned on the trail, we focused on building the incredibly capable RZR XP.

**FRONT BUMPER & FULL COVERAGE SKID PLATE
DESIGNED TO SHIELD FROM OFF ROAD ELEMENTS.**

Full coverage skid plate provides protection for critical driveline and engine components. A tubular front bumper protects the front end of the machine from trail elements.

READY WHEN YOU ARE

You want to keep riding and enjoying time on the trail with your crew, we've designed a rugged machine that keeps going right along with you.

IMPROVED CLUTCH COOLING

INCREASED BELT PERFORMANCE AND BELT LIFE

The RZR XP CVT is redesigned for enhanced airflow to minimize heat for longer belt life. This means improved performance and more epic time on the trails.

INCREASED SERVICE INTERVAL

SPEND LESS TIME WORKING AND MORE TIME RIDING

Time on the trail is the best time spent. We focused on durability and making a RZR that's easy to own. The RZR XP now features a 2x longer oil change interval.

QUICK ACCESS SERVICEABILITY

WHEN IT'S TIME TO MAINTAIN YOUR RIDE, WE MADE IT EASIER

Convenient access to the front of the engine and airbox along with a one-piece, removable rear bin allows for easy routine maintenance work.

ALL-DAY COMFORT

COMFORT

**BUILT TO KEEP RIDING
IN COMFORT ALL DAY**

When the day is made for miles, the all-new RZR XP is the perfect partner. With an emphasis on enhanced storage, ride quality and comfort. The RZR XP is the ideal choice for day-long sessions.

TRAIL-TUNED RIDE

WITH WALKER EVANS® SHOCKS

Walker Evans® Needle Shocks feature 16-position compression damping paired with a retune & triple rate springs to deliver a smooth ride and bottom out control for a new level of comfort and control.

NEW IN-CAB DESIGN

REFINED AND COMFORTABLE

The redesigned cab features, adjustable front seats with an extra 2" of adjustment and raised rear seating providing ultimate comfort for a day full of trail miles.

GO CONFIDENTLY

PLAN ROUTES, TRACK YOUR GROUP

The RZR XP Ultimate features a glove-friendly, 7" touch screen display powered by RIDE COMMAND technology standard. Built for the rugged outdoors and designed to work with or without cell service.

PREPARED FOR ALL DAY RIDING

EQUIPPED FOR THE TRAIL

FROM SUN UP TO SUN DOWN

With full doors, self-draining floors and poly roof the RZR XP is made to keep elements out. Available signature LED headlights and illuminated in-cab controls helps keep your ride going even when the sun goes down.

READY FOR CUSTOMIZATION

Make RZR XP your own. Equipped with the accessories you need to make trail time the best time. With over 64 accessories – customization is a cinch.

INDUSTRY-LEADING ACCESSORY INTEGRATION

6-POSITION PULSE BAR & 900W CHARGING SYSTEM

Equipped with a 900-watt charging system and 6-position Pulse Bar for plug-and-play installation of popular accessories like audio, lights, and radios.

PURPOSEFUL STORAGE

A SPOT FOR EVERYTHING

When you leave the trailhead, we make sure you've got room to bring the essentials. Easily accessible driver & passenger in-cab storage to keep items secure such as keys, phones, wallets, or gloves.

LEGENDARY PERFORMANCE

RZR XP

GET THROUGH CHALLENGING TRAILS

The RZR XP is built for any given day and any given trail. From rocks, woods, mud and sand – the RZR XP is multi-terrain capable.

GEARED LOWER AND ALL-NEW GEARED REVERSE

A new, lower gear ratio delivers power to the ground in a smooth, responsive manner. While a new geared reverse provides additional strength adding confidence when backing out of technical situations.

14.5" GROUND CLEARANCE GET OVER OBSTACLES ON THE TRAIL

The RZR XP features 14.5" of ground clearance for the optimal balance of obstacle-clearing ride height and agility for quick corner-to-corner performance.

ON-DEMAND AWD

EXTRA TRACTION ON THE FLY

Traction matters. It can make the difference between making it through a trail or over an obstacle. The RZR XP on-demand all-wheel drive system feeds power to the tires in need, helping get you through the most technical trail.

RESPONSIVE POWER

TUNED TO DELIVER TRAIL PERFORMANCE

From corner-to-corner acceleration in twisty trails to crawling through a boulder field, the RZR XP relies on the smooth and responsive power from the all-new ProStar 1000 Gen 2 Engine.

114 HORSEPOWER

ALL-NEW PROSTAR 1000 GEN 2

TWIN CYLINDER ENGINE
